Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: Ms. Mary Ann Armstrong telephoned to inquire as to the mail date of the Non-Responsive Amendment since there was not any mail date on the document. The Examiner looked in PALM and IFW/eDan and the correspondence had not been scanned into the system then the Examiner checked OACS to determine whether the Examiner had sent the correspondence or the LIE had sent the correspondence. The Examiner determined that she had sent the correspondence and the mail date was determined to be 8/20/07 since the correspondence was received by the law firm on 8/23/07..
